

# Classical Conversations: Jack Hill & Edson Campos

July 20 - October 3, 2021

## ABOUT THE POLASEK MUSEUM

Founded in 1961, the Albin Polasek Museum and Sculpture Gardens preserves the 200+ piece collection of world-renowned Czech-American sculptor Albin Polasek (1879-1965). Listed on the National Register of Historic Places, the museum offers guided tours of Polasek's home, studio, and sculpture gardens.

Thousands of visitors each year come from all over the world to be inspired by Polasek's story of emigrating to the United States in 1901, becoming a celebrated artist, and continuing to create monumental works of art from his wheelchair after suffering a debilitating stroke at age 70. The museum is also home to the historic 1885 Capen House that was saved from demolition, renovated, and opened to the public in 2015.

## ABOUT THE EXHIBITION

This dual exhibition of Florida-based artists Jack Hill and Edson Campos juxtaposes classical themes with modern humor. Sculpture is a second profession for Hill whose career as a mime, magician, and ventriloquist spanned 3 continents and 22 years. Campos has a long career of national and international acclaim, most recently winning a gold medal at the historic French Salon in Paris in 2020. This modern and sometimes surrealist take on the human body executed in a graceful and hyper realistic manner allude to the classical inspirations of each artist, respectively.
