ABOUT THE POLASEK MUSEUM

Albin **POLASEK** Museum
Sculpture Gardens

Founded in 1961, the Albin Polasek Museum and Sculpture Gardens preserves the 200+ piece collection of world-renowned Czech-American sculptor Albin Polasek (1879-1965). Listed on the National Register of Historic Places, the museum offers guided tours of Polasek's home, studio, and sculpture gardens.

Thousands of visitors each year come from all over the world to be inspired by Polasek's story of emigrating to the United States in 1901, becoming a celebrated artist, and continuing to create monumental works of art from his wheelchair after suffering a debilitating stroke at age 70. The museum is also home to the historic 1885 Capen House that was saved from demolition, renovated, and opened to the public in 2015.

ABOUT THE EXHIBITION

This exhibition will showcase the imaginative, surrealist paintings of Cynthia Holmes. Now working out of her Florida-based studio, Holmes has been exhibited in group and solo shows throughout Texas and the Southeast. Her subject matter was born from a biology class where she learned about botanical intelligence and participated in experiments confirming the theory. The idea has captivated her since and has imbued her surrealist art with direction, color, and movement.
